Nose of stair

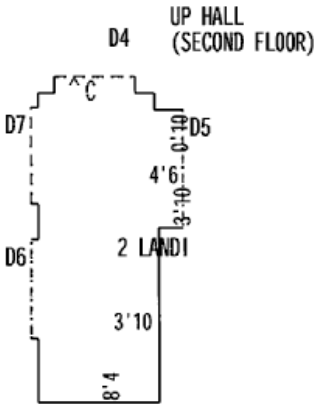

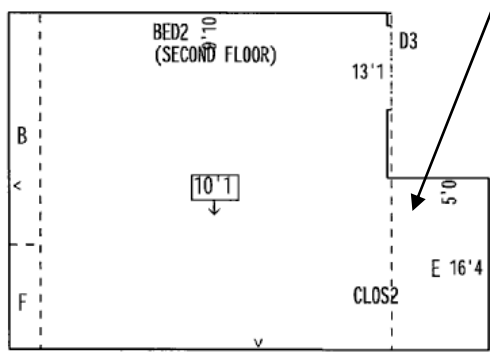

Crotch of stair

# Seam Placement

Dotted lines represent seams

# Leveling & Floor Preparation

---

## Leveling Material

- When leveling over concrete, our installers use LevelQuick
  - Coverage: 25 lbs. bag = 25 square feet @ 1/8 inch
- When leveling over plywood substrate, our installers use shims, plywood and/or underlayment

## Floor Preparation

- All specs include 1 bag of floor patch/leveling material
- All additional preparation is custom quoted
